THE LA RAMS AND CHARGERS SUITE LIFE

Rams and Chargers fans have plenty to get excited about with the LA Stadium & Entertainment District under construction at nearby Hollywood Park. The entire stadium and district are modeled here at The Campus at Playa Vista in the LA Stadium Premiere Center.

The LA Stadium Premiere Center brings gameday to life in an 11,000-square-foot facility packed with technology that puts you at the center of the excitement. Stunning virtual experiences spread across 52 screens, showing off what you can expect at every stadium event from NFL games to concerts, as well as previews of the surrounding Entertainment District's restaurants, parks and venues. A massive acrylic model of the stadium and surrounding area features projection mapping. Plus, you can even watch live feeds from the construction site.
