## Expanding Playa Vista Elementary School?

PVPAL is holding a meeting to determine the Playa Vista community's interest in having the Los Angeles Unified District move ahead with more detailed plans for a proposed expansion of the current Playa Vista Elementary School. The **One Community/One School** plan, which the District brought to Playa Vista, is designed to add capacity so that all families living in Playa Vista can send their children to the school. The expansion of the school would include the area currently occupied by the soccer field in Sports Park, and would require the reconfiguration of the park.

**LOCATION:** *The Resort at Playa Vista*

**DATE:** *May 2, 2017*

**TIME:** *6 – 8 p.m.*

***Open to Playa Vista Residents Only***
