DONATE TO SAFE PLACE FOR YOUTH

Donations can be dropped off at the Playa Vista Fit Expo on Saturday May 18th from 10am - 1pm at Concert Park.

Safe Place for Youth prioritizes low barriers for entry, harm-reduction, a trauma-informed approach, and the provision of a safe, supportive environment. We do this through a continuum of care that includes street outreach, drop-in services, case management, health and wellness, and education and employment programs.

Our mission is to inspire, nurture and empower the resilient human spirit of homeless youth by providing immediate and lasting solutions, one young person at a time.

SPY is in need of: travel sized hygiene items, men's boxers (new), socks (new), men's clothing, jackets, pants, and hoodies.

Please note: We cannot accept anything red, stained, or extremely small
